Anna,

I received the attached FOIA request from Bettina Hollis in the mail this morning. Two of the facilities she is requesting documents for are located in Illinois. I called Ms. Hollis to see if she had mailed a request to your office and she had not. I asked if she wanted me to transfer the Illinois portion of her request to you and she said yes. So, I am attaching the request for you. Let me know if you have any questions.

I think that the last facility listed, West Lake Landfill, is actually in Missouri although the requester shows an Illinois address.
